Multifamily & Townhouse Building Permit Application Instructions

GENERAL: No work including but not limited to erosion control, site grading, tree removal, lot-benching, retaining walls, etc. can begin prior to approval of permit application.

BUILDING PLANS & DOCUMENTS: The following plans and documents shall be submitted with the permit application where applicable to the type of permit requested. The maximum document/drawing size shall be 36" x 48". Plans shall have architectural and/or engineering seals and signatures as required by State law.

1. *Site Plan*
2. *Tree Preservation Plan*
3. *Landscape Plan*
4. *Floor Plan*
5. *Door, Window and Hardware Schedule*
6. *Construction Details*
7. *Building Elevations*
8. *Roof Plan*
9. *Mechanical Plan*
10. *Electrical Plan*
11. *Plumbing Plan*
12. *Foundation Plan*
13. *Structural Plan*
14. *ComCheck or equivalent energy code compliance report*
15. *Fire Alarm, Fire Sprinkler, and/or Fire Protection Plan (may be submitted after start of construction; separate permit required)*

FEES: At the time of building permit application, *an initial payment is required. This initial payment is nonrefundable.* The initial payment will apply to the total of all fees for a nonresidential or multifamily building permit. The balance of all fees is due/payable at the time the permit is picked up.

The building permit fee includes the fees for plan review, permit, and inspections. No additional fees are assessed for mechanical, electrical, or plumbing trades. In addition to the building permit fee, the following fees may be assessed as part of the building permit fee if applicable: water & sewer connection fees, water & sewer impact fees, water meter fees, park dedication & improvements fees, early warning siren fees, and other fees.

The combination fee for multifamily and townhouse residential construction is based upon the number of dwelling units and total gross area under roof including conditioned spaces and garages, patios, porches, and other unconditioned spaces.

Combination fee amounts are calculated as follows:

1. ***New Construction:*** \$200 per dwelling unit plus \$0.50 per square foot of area. A nonrefundable initial payment of \$200 per dwelling unit is due at time of permit application. The remaining balance of the fee is due prior to release of the permit for construction.

2. **Addition/Expansion:** \$0.50 per square foot of area with a minimum fee of \$200. A nonrefundable \$100 initial payment is due at time of permit application. The remaining balance of the fee is due prior to release of the permit for construction.
3. **Remodel/Alteration:** \$0.30 per square foot of area with a minimum fee of \$150. A nonrefundable \$100 initial payment is due at time of permit application. The remaining balance of the fee is due prior to release of the permit for construction.

NOTES:

1. No work including but not limited to erosion control, site grading, tree removal, lot-benching, retaining walls, etc. can begin prior to approval of permit application.
2. No permit applications may be filed prior to platting of the property for construction.
3. Demolition of any existing structures requires a separate demolition permit.
4. If City of Krum potable water and/or sanitary sewer service is not available at the property for construction, separate applications and fees for well permits and/or on-site sewage facility permits are required.
5. Separate permit applications and fees are required for any fence, accessory structure, pool/spa, and/or irrigation system.
6. The use of liquefied petroleum (LP) gas (propane), tank size, and tank location must be authorized and approved by the City of Krum Fire Chief.
